DIARY NOTES

DD/S *W*

16 November 1962

25X1A2d1 1. Jack Earman telephoned to say that he was a little concerned about the audit report on [REDACTED]. He asked me to take a look at it and then to discuss it with him.

25X1A1d 2. John Bross telephoned to say that he was about to sign a letter to the Bureau of the Budget having to do with the outflow of gold. In the letter he was [REDACTED]

25X1A9a 3. [REDACTED] telephoned about the housing situation in [REDACTED] 25X1A6a
25X1C4a and said that he was sending to me a memorandum from the WH Division recommending that we give up our houses [REDACTED]. He was doing this, however, with the understanding that we could later build several sets of quarters for ourselves. I told him that while this sounded all right in principle, the Division would have to provide the money; and, unless it was now in the DD/P budget, it would be at least Fiscal Year 1965 before we could do it.

25X1A9a 4. I met with Larry Houston, Emmett Echols, [REDACTED] [REDACTED] to discuss our insurance problems. It was agreed that we should crank into our regulations a requirement that all insurance programs be coordinated with the Director of Personnel and that we should fix the responsibility on the Director of Personnel for ensuring that they are properly staffed out and that approvals at proper levels are obtained. *H*

25X1A6a 5. I talked to [REDACTED] about funds for Christmas decorations. He believed that it would be illegal to use appropriated funds. We discussed the possibilities of using either the welfare fund or the money which we recovered when we closed the [REDACTED] and which is now held in escrow. We concluded that it would seem more appropriate to utilize the latter.

6. Shef Edwards telephoned me about the case of [REDACTED] who has been missing from his station in [REDACTED]. He has now been located in a hospital in Minnesota. Dr. Tietjen has been notified, and General Carter has expressed an interest in doing everything we possibly can for this individual, who is apparently mentally ill and probably never will return to duty.
